We can also provide breakfasts, brunches, or buffets during your stay at Maison Mastrorelli.

### **Beverages**

Still and sparkling water are included in the menu price. We offer a wide selection of wines, sparkling wines, and champagne to suit all tastes and budgets. We work primarily with winemakers who respect their terroir, with a particular focus on natural wines.

You are welcome to bring your own champagne, for which we do not charge corkage.

Our team can also create cocktails, with or without alcohol, according to your preferences.

For smooth service, additional staff may be required depending on the number of guests and your needs (staff charged at €25/hour).

We also welcome outside caterers. In this case, one member of our team must be present for safety reasons and to ensure the smooth running of the event (staff charged at €25/hour).

Equipment, decoration, furniture, linens, and tableware will be the responsibility of the external caterer.

## SUPPLIERS

We are in contact with several trusted partners — florists, furniture rental, decoration — and can assist you in organizing the wedding you envision.

We also have privileged contacts with nearby accommodations should you wish to host additional guests.

We can also take care of coordinating and centralizing the entire event. Quotes available upon request.

## HOUSE RULES

Out of respect for the calm and tranquility of our neighbors, who live very close by, we must be very strict about noise. For this reason, we do not allow DJs or loud parties.

We only authorize soft background music on our own sound system during the meal, or a 100% acoustic live group (without microphones or amplified instruments).

Dinner must conclude by 1:00 a.m. at the latest, and all guests other than those staying overnight at the house must leave the premises by then.

## TERMS & CONDITIONS

All rates are inclusive of taxes.

A 50% deposit on the accommodation portion only is required to confirm the booking. A 30% deposit on the catering portion is required at the time of menu confirmation. The balance for both catering and accommodation must be settled 15 days prior to your arrival.

The final number of guests must be confirmed no later than 15 days before the event date. After this deadline, no modifications to the menu or guest count can be made.

I remain at your disposal should you require any further information. We look forward to welcoming you for this joyful occasion.
